Spring 2023 Courses on Tuesdays

Art Club Work with Mr. Truong on sketching and other projects to channel your creativity. Find your inner artist.

Dodgeball Play dodgeball for fun and friendly competition in the gym.

Easy Snacks Make your own snack bars and treats and learn to use simple kitchen tools.

Fencing Join Morgan Coach, Jim Barnett, for an introduction to the amazing sport of fencing. Learn the equipment, skills, and strategy in this program. No prior experience is required.

Homework Club Complete homework in a quiet setting where help is available.

Makerspace (MARSS Activity but open to all students)

Build, invent, create & discover with these super cool projects. Each week will feature fun project stations to stretch our imaginations! Projects this session focus on craft creations.

Pet Care Do you love animals? Have you always wanted to learn about pets? Join this club to learn about a variety of domestic pets like cats, dogs, and fish. You might see some exotic pets as well. Who doesn't love reptiles?

Sewing Make a little stuffed animal as you learn to sew a button and do a few stitches. Additional stitches and applique techniques for those who have mastered beginner level.

Spring 2023 Courses on Wednesdays

Bucket Drums & Boomwhackers Join Mrs. Mustakos and get your beat on. Develop rhythm with bucket drumming and work on melody with the boomwhackers. Have fun with music!

Chess & other Board Games Learn to play chess or improve your skill through matches with friends. Also available are other popular board games for two or more players, Apples to Apples, Battleship, Scattergories, or Sorry!

Dodgeball Play dodgeball for fun and friendly competition in the gym.

Hiking Club Join Miss Angus and Mrs. Auletta as they take you into nature on local trails that are within walking distance of Eliot. Students in this club must wear appropriate shoes and be able to walk for 90 minutes. Parents will need to sign a separate permission slip upon student acceptance into the club.

Homework Club Complete homework in a quiet setting where help is available.

Lego Construction Lab (MARSS Activity but open to all students) Enjoy free-style building with Lego blocks or bring in your own kit to assemble.

Pokemon Club Bring your own cards to school on club day as you learn basic rules and strategies to play the game of pokemon. Gotta catch 'em all!

Puzzles and Brain Teasers Learn to solve sudoku, logic, crossword, and other word puzzles. Be part of the Wordle craze! Or spend time constructing jigsaw puzzles.
