We are so excited to welcome families to our Open House on Tuesday, September 19th!

Students will be coming home with their schedules on Thursday afternoon. Please bring this with you to Open House. Their schedule will also have a map of the school on the back.

This is truly an “open” Open House. Please drop-in and visit the teachers indicated on your child’s schedule, during the designated window of time for their grade-level academy. Each classroom/teacher you visit, will provide you with a more detailed scope and sequence of what they will cover with your child this school year. In addition, you will be able to see the classrooms your child visits throughout their school day.

As a reminder, this is not a time to discuss academics/behaviors. This will be discussed in more detail at **Parent-Teacher Conferences on Thursday, November 16th.**

**If you have children in both the Upper and Lower Academy, feel free to visit the cafeteria in-between sessions for school and local community information*

JARED ELIOT MIDDLE SCHOOL

Sixth Grade - FALL FUNDRAISER with Meadow Farms

The Online Link to sell opens September 9, 2023 and closes December 8, 2023

*****The window to earn prizes closes on October 12, 2023*****

School Code: 1058065

Dear Parents and Students,

We are sponsoring a sweet and savory fundraiser that will surely tempt your taste buds!! Choose from delicious cookies, candles, wrapping paper, and more. The purpose of our fundraiser is to raise money to reduce the cost for your own child's Nature's Classroom field trip and Boston. The entire profit of **40%** of **your** child's sales will come directly off **your** trip balance.

HOW TO GET STARTED:

- Share the online link via email and text of the catalogs with family, friends and co-workers as they too will love these products! **THIS IS A GREAT TIME TO BEGIN HOLIDAY SHOPPING!**
- Friends and family can shop online by going to www.meadowfarms.com and using our school code **1058065**. There are a variety of items to purchase online such as gifts, wrapping paper, sweet treats, etc... These will be shipped directly to the purchaser which is a nice feature for relatives living far away. There is free UPS delivery for the sales over \$89. If our school name and code is used, your child gets credit. However, you must enroll your child in the online sales portion by following the directions on the insert in the envelope or use the code above.
- The link for the fundraiser is open until Dec 9, 2022. **To qualify for prizes, all sales through September 9th - October 12th will be tallied.**
- **The 40% credit will incorporate all sales made from Sept 9th through Dec 8th. That total will be applied to your child's balance.** There is only a deadline to receive prizes.
- If you have any questions, contact Mrs. Sarah Winger at swinger@clintonpublic.net.

As a special THANK YOU, each student who participates can earn prizes from the company!

The paper packet has been sent home the week of September 5, 2023

2023-2024 Health Office Reminders

General Health and Attendance Information

In order to protect the health of all students and staff, we ask parents/guardians to keep their children home when they are ill. The following link will provide information on when children must stay home from school and when the school nurse will call parent/guardian if a student becomes ill at school and needs to be picked up. [Guidelines for illness at home and at school](#)

Flu and COVID Information

This fall, it is expected that influenza and COVID-19 will be circulating at the same time. The DPH wants to remind parents and guardians that it is especially important that all students and staff receive their flu vaccine. It is anticipated that an updated COVID-19 vaccine will also be available sometime later next month.

The Connecticut State Department of Education (CSDE) and Department of Public Health have communicated that COVID-19 mandates are no longer in effect for schools, and school districts no longer have to report COVID-19 cases to the DPH.

School districts are encouraged to follow CDC guidelines when setting up policies and procedures for the upcoming school year. For the latest guidance from the CDC, open this link [CDC Recommendations for Schools](#). Clinton Public Schools, in conjunction with guidance from Connecticut River Area Health District (CRAHD), recommends that anyone diagnosed with COVID-19 remain out of school/work for 5 days, return to school/work on day 6, and mask through day 10.

Contact Information

School Nurse Supervisor Donna Frechette (dfrechette@clintonpublic.net) will continue to be the point of contact for general health questions and specific to COVID-19 concerns.
